### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Timothy F. Myers on October 5, 2004.

The application has been amended as follows:

#### **IN THE CLAIMS:**

- Claim 33: Canceled claim 33.

2. The following is an examiner's statement of reasons for allowance: Claim 22 is patentable over the prior art patents and printed publications because of the specific pre-recorded data containing embedded disk information about the disk storage medium, which comprises a thermally sensitive layer that changes color when heated to create a thermal media label and one or more alignment marks pre-printed on the disk storage medium, wherein the embedded disk information includes printing characteristics of the thermally sensitive layer to control creating the thermal media label. The combined limitations are not taught by the art of record alone or in combination.

The reason for allowance of claims 40 and 41 has been indicated in the Office action issued on 07/16/04.

Claims 23-32 and 33-39 are allowed because they are directly or indirectly dependent from claim 22 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hai C Pham whose telephone number is (571) 272-2260. The examiner can normally be reached on M-F 8:30AM - 5:30PM.
